

Yamaha Sales and Service Manager

Saunders Marine Center – Orange Beach, AL

Position Description:

We are immediately staffing for a working manager with Yamaha engine and control experience and factory training for our NEW Yamaha service and sales dealership. Technical experience should include the repair and installation of Yamaha marine engines. This manager would supervise and dispatch our technicians at our boatyard and in the field. He/she could also be expected to provide hands-on service work and/or service shop set up as the dealership grows. Product and service sales responsibilities will include on-site response to inquiries, as well as calling on marine facilities and customers off site. This manager will join a team of skilled leaders who are highly respected in our industry.

Qualifications:

Our ideal candidate would have repair and installation experience; knowledge of vessel mechanical, electrical and hydraulic systems; a background for problem solving/engineering and some boat handling experience that includes the use of electronics. ABYC and/or NEMA 2000 certifications are a plus. Finally, experience with sales and customer service will help in the bidding and estimating processes.

Qualified candidates will be tested for basic skills, mechanical aptitude and management capability. Finalists for the position will be interviewed on site at our Orange Beach location to learn more about our management team and facility.

Saunders management pay is by weekly salary commensurate with applicable experience. Benefits include paid vacation, holidays, and personal leave; company supplemented medical and dental insurance with BC/BS; and a 401k plan with company match. Saunders does not discriminate in any of our hiring practices and operates a drug-free workplace. All candidates are subject to pre-employment drug screen and a fit-for-duty physical.

Company Description:

The Saunders family has been in the marine service business in coastal Alabama since 1959. Saunders Marine Center, located in Orange Beach, includes a boatyard with a 60-ton Travelift and an active ship's store with over-the-counter parts sales. We provide below waterline services and have vessel crafts subcontractors on site. The addition of outboard services and repower capabilities will allow us to attract more recreational vessels up to 50 feet. Saunders Marine Center is the sister facility to Saunders Yachtworks in Gulf Shores, home of our 150-ton Travelift, which is the largest on the Gulf Coast. This is a great opportunity for you to join an exceptional team!
