

# **Electronics Technician**

**Saunders Yachtworks, Gulf Shores, AL**

## Position Description:

We are immediately seeking experienced marine electronics technicians for employment in equipment repair and installation. Equipment will include all aspects of electronic communication including sound, sonar, security, navigation and surveillance systems. All Saunders employees are required to be flexible with work assignments that may include crossover into other boatyard services.

## Qualifications:

Our ideal candidate would be NEMA 2000 qualified and certified by the American Boat and Yacht Council. Saunders is an authorized service center for Garmin, Furuno, Simrad, KVH, and Intellian. Experience with any of these products is not required, but would be advantageous for employment. All applicants who wish to be considered should be skilled in troubleshooting, as they will be required to diagnose and repair marine electronics.

Qualified candidates will be tested for basic skills, mechanical aptitude and management capability. Finalists for the position will be interviewed on site at our Gulf Shores location to learn more about our management team and facility.

Saunders employees are paid hourly commensurate with work experience. Benefits include paid vacation, holidays, and personal leave; company supplemented medical and dental insurance with BC/BS; and a 401k plan with company match. Saunders also provides uniforms and a tool financing program. Service vehicles are available for field service technicians. Saunders does not discriminate in any of our hiring practices and operates a drug-free workplace. All candidates are subject to pre-employment drug screen and a fit-for-duty physical.

## Company Description:

Saunders Yachtworks in Gulf Shores is the premier full service boatyard on the Northern Gulf Coast. Our 150 ton Travelift attracts customers from Florida to Chicago to the Texas coast. Services include all aspects of vessel refit and repair including authorized diesel engine dealerships in-house. Founded in Mobile, Ala., in 1959, Saunders has many years of experience in marine engine service and boatyard operations. This is a great opportunity for you to join an exceptional team!
