

Outboard Motor Service Technician

Saunders Marine Center, Orange Beach, AL

Position Description:

We are immediately seeking technicians with Evinrude, Mercury and Yamaha engine service, repair, and installation experience to staff our NEW outboard sales and service dealership. Factory training will be considered a strong advantage in our hiring evaluation. We would prefer that the technician's experience also include troubleshooting and repair of vessel systems and electronics. All Saunders employees are required to be flexible with work assignments that may include crossover into other boatyard services.

Qualifications:

Our ideal candidate would have repair and installation experience; knowledge of vessel mechanical, electrical and hydraulic systems; and a background for problem solving. ABYC and/or NEMA 2000 certifications are a plus.

Qualified candidates will be tested for basic skills, mechanical aptitude and management capability. Finalists for the position will be interviewed on site at our Orange Beach location to learn more about our management team and facility.

Saunders employees are paid hourly commensurate with work experience. Benefits include paid vacation, holidays, and personal leave; company supplemented medical and dental insurance with BC/BS; and a 401k plan with company match. Saunders also provides uniforms and a tool financing program. Saunders does not discriminate in any of our hiring practices and operates a drug-free workplace. All candidates are subject to pre-employment drug screen and a fit-for-duty physical.

Company Description:

Saunders Marine Center, located inside Orange Beach Marina, operates a full-service boatyard and an outboard sales and service center. Able to accommodate boats up to 60 feet, this facility contains an onsite 60-ton Travelift and a 10,000 square foot enclosed works building. The addition of outboard services and repower will allow us to attract more recreational vessels in this size range. We provide below waterline services, have vessel crafts subcontractors on site, and run a ship's store for our over-the-counter parts sales customers. Our yard is the sister facility to Saunders Yachtworks Gulf Shores, home of our 150-ton Travelift, which is the largest on the Gulf Coast. Founded in Mobile, Ala., in 1959, Saunders has many years of experience in marine engine service and boatyard operations. This is a great opportunity for you to join an exceptional team!
