

Diesel Engine Mechanic

Saunders Yachtworks, Gulf Shores, AL

Position Description:

We are seeking trained diesel engine technicians (mechanics) who will be responsible for troubleshooting, maintenance and repair of diesel engines. We provide authorized service for Caterpillar, MTU, MAN, Volvo and Cummins engines.

Qualifications:

Our ideal candidate would have engine repair experience. Marine experience is a plus.

Essential Duties and Responsibilities:

- Inspect, maintain, and repair boats of all kinds
- Utilize diagnostic equipment to test and repair bot diesel engines
- Troubleshoot, test, repair, replace, remove and install vessel systems and components related to engines
- Conduct thorough assessment prior to starting a job including acknowledging the budgeted time
- Assign parts and purchases to the appropriate vessels/tickets
- Must possess own hand tools
- Availability to work overtime in order to meet deadlines

Saunders employees are paid hourly commensurate with work experience. Benefits include paid holidays and PTO (paid time off); company supplemented medical, dental, and vision insurance; and a 401k plan with company match. Saunders also provides uniforms and a tool financing program. Saunders does not discriminate in any of our hiring practices and operates a drug-free workplace. All candidates are subject to pre-employment drug screen and a fit-for-duty physical.

Company Description:

Saunders Yachtworks in Gulf Shores is the premier full-service boatyard on the Northern Gulf Coast. Our 150-ton Travelift attracts customers from Florida to Chicago to the Texas coast. Services include all aspects of vessel refit and repair including authorized diesel engine dealerships in-house. Founded in Mobile, Alabama, in 1959, Saunders has many years of experience in marine engine service and boatyard operations. This is a great opportunity for you to join an exceptional team!
