

Body & Paint Technician

Saunders Yachtworks, Gulf Shores, AL

Position Description:

We are immediately seeking craftsmen with experience in the fields of marine paint, and fiberglass. Journeyman craftsmen will join our full-service crafts department participating in a variety of interior and exterior refit and repair projects on vessels up to 120 feet.

Qualifications:

Our ideal candidate would have yacht repair and refit experience. Specific qualifications by trade are –

Paint – prep, sand, prime, and paint finished exterior surfaces; application of fairing compound and shaping to match production; and application of Awlgrip, Alexseal, and /or Imron products.

Fiberglass – building of custom parts and components for installation; repair of fiberglass damage; knowledge of epoxy mixtures and chemical bond solutions; and knowledge of layup schedules for FRP curing.

Saunders employees are paid hourly commensurate with work experience. Benefits include paid vacation, holidays, and personal leave; company supplemented medical and dental insurance with BC/BS; and a 401k plan with company match. Saunders also provides uniforms and a tool financing program. Saunders does not discriminate in any of our hiring practices and operates a drug-free workplace. All candidates are subject to pre-employment drug screen and a fit-for-duty physical.
