

Marine Painter

Saunders Yachtworks, Gulf Shores, AL

Experienced craftsmen with experience in the fields of marine paint and fiberglass to work on a variety of interior and exterior refit and repair projects on vessels up to 120 feet.

Responsibilities to include:

- Prepping, sanding, priming, and painting finished exterior surfaces
- In the area of Fiberglass, building custom parts and components for installation and repair of fiberglass damage.

Qualifications:

- Yacht and repair and refit experience or auto body/paint experience
- Knowledge of epoxy mixtures and chemical bond solutions
- Knowledge of lay-up schedules for FRP curing
- Experience working in a physically challenging environment; confined spaces, working at heights, and use of a full-face respirator is required.
- All qualified candidates will be tested on basic skills and mechanical aptitude.

Saunders employees are paid hourly commensurate with work experience. Benefits include medical, dental, vision, and life insurance, along with Paid Time Off (PTO) and paid holidays. Employees are eligible to participate in a 401(k) plan with company match after 1 year of service.

Saunders is an EEO Employer and does not discriminate in any of its hiring practices and operates a drug-free workplace. Candidates must pass a pre-employment drug screen and a fit-for-duty physical.
