## **Saunders Marine Center Officially Selected as a Mastry Suzuki RePower Center**

CLEARWATER, Florida (September 12, 2023) – Mastry Engine Centers announced today that Saunders Marine Center is now an Authorized Mastry Suzuki RePower Center.

With more than six decades of marine engine expertise, Saunders is a top choice for marine service and repower projects along the Alabama Gulf Coast with two convenient facilities.

Saunders Marine Center, located in Orange Beach, Ala., operates a boatyard and an outboard sales and service center inside Orange Beach Marina. The facility can accommodate boats up to 60 feet with an onsite 60-ton Travelift.

The company's flagship location, Saunders Yachtworks, sits on 14 acres along the Gulf Intracoastal Waterway (ICW) in Gulf Shores, Ala. The full-service boatyard accommodates vessels up to 130 feet in length with a maximum beam of 27.5-feet. Saunders Yachtworks features the largest lift capacity for recreational boats in the northern Gulf of Mexico.

Along with full repower projects, the experienced project management team at Saunders is prepared to provide any vessel with a full range of boatyard crafts, systems, and mechanical services.

“We are thrilled to be added to the Mastry Engine Centers repower network and to be able to offer Suzuki Marine products to our customers,” said John Fitzgerald, President of Saunders Marine Center and Saunders Yachtworks. “Our goal has always been to provide an extraordinary service experience with integrity, no matter the complexity of the project. We accomplish this by offering top-notch service and partnering with proven brands.”

“Mastry Engine Centers proudly welcomes Saunders Marine Center to its network of 14 Mastry Suzuki RePower Centers,” concluded David Taylor, Mastry Suzuki Repower.

About Suzuki Repower, by Mastry Engine Center

Suzuki Repower, by Mastry Engine Center, offers the industry's most innovative and dependable outboard propulsion systems, Suzuki Marine Outboards. Suzuki's dedication to creating the finest 4-stroke engine technology has made them unmatched in marine outboards. The result is

the industry's largest and most formidable all-4-stroke lineup. From the mini-might 2.5 horsepower portable right up to the new flagship V6. Add to that, Yanmar Mastry Engine Center has been supporting the marine industry for over half a century, helping boat builders, boat dealers and retail customers find the perfect engine packages designed to best fit their needs and not stretch their budget.

Suzuki Repower, by Mastry Engine Centers, are stationed throughout Florida assisting customers with Suzuki service and propulsion needs. Their highly experienced, factory trained technicians use only genuine Suzuki rigging, parts and controls. All installations are water-tested to be sure the motor(s) are rigged correctly, at the proper height and they are propped perfectly for superior performance. In addition, Mastry offers the option of a financing program that is not linked to your boat title.
