

Field Service Marine Systems Technician

Saunders Yachtworks, Gulf Shores, AL

Company Description:

Saunders Yachtworks in Gulf Shores, Alabama is the premier full-service boatyard on the Northern Gulf Coast. Our 150-ton Travelift attracts customers from Florida to Chicago to the Texas coast. Services include all aspects of vessel refit and repair including authorized diesel engine dealerships in-house. Founded in Mobile, Alabama, in 1959, Saunders has many years of experience in marine engine service and boatyard operations.

Typical brands we service and install are: Dometic, Sea Recovery, Headhunter, Vacuflush, Marquipt, and Seakeeper. We are seeking a service technician that is proficient in HVAC, refrigeration, and electrical and hydraulic systems. Experience in marine systems is preferred. We boast a clean work environment, great work atmosphere and an exceptional team! Salary is based on experience. Current HVAC certifications are a plus!

Field service technicians typically work on-site and across the Gulf Coast. Work vans are provided and personal tools are required. Ability to handle physical workload, to include working in warm/hot weather. Must have a clean driving record.

Responsibilities:

- Troubleshoot and service marine air conditioners ranging from direct expansion, split gas, and tempered water systems
- Service and maintain refrigeration units, both air and water-cooled
- Maintain electrical systems, watermakers, plumbing (portable water, gray & black), battery chargers, hydraulic systems, etc.
- Execute work orders to customer specification
- Maintain accurate records of services performed and receipt of parts and materials acquisition/return.

Saunders Yachtworks provides equal employment opportunities to all employees and applicants. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.

Candidates must pass a pre-employment physical, drug screen and a background check.
