

Fiberglass Technician

Saunders Yachtworks, Gulf Shores

We are looking for an experienced Marine Fiberglass Technician to work within our Crafts Department. Responsibilities to include:

- Set up of job sites with dust collection
- Assess severity of damage to vessel
- Prep and perform composite repairs to vessels
- Maintain engineering crisp work spaces
- Work occasional overtime as needed to complete a project

Education and/or Work Experiences Requirements

- High school diploma or GED required
- **Marine industry experience preferred**
- Experience with removing and installing parts using wrenches and drills; using body filler and sanding with d/a sanders and blocks; using grinders to grind fiberglass to smooth scarfs; and using paint guns and buffers.
- Experience working in a physically challenging environment; confined spaces, working at heights, and use of a full-face respirator is required.

Qualifications

- High school diploma or GED required
- Valid Driver's license
- Pass a background check, pre-employment physical and drug screen.

Saunders Yachtworks provides equal employment opportunities to all employees and applicants. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.

Company Description

Saunders Yachtworks in Gulf Shores, Alabama is the premier full-service boatyard on the Northern Gulf Coast. Our 150-ton Travelift attracts customers from Florida to Chicago to the Texas coast. Services include all aspects of vessel refit and repair including authorized diesel engine dealerships in-house. Founded in Mobile, Alabama, in 1959, Saunders has many years of experience in marine engine service and boatyard operations. This is a great opportunity for you to join an exceptional team!
