

Outboard Engine Mechanic

Saunders Yachtworks, Gulf Shores, AL

We are looking for an experienced outboard engine mechanic with Mercury, Yamaha and Evinrude engine service, repair, and installation experience to join our Outboard Services Division.

Responsibilities include:

- Maintaining and repairing marine outboard motors
- Providing routine service and maintenance
- Execute work orders to customer specification
- Maintain accurate records of services performed and receipt of parts and materials acquisition/return.

Qualifications include:

- Experience in outboard repair, service and installation equal to 5+ years
- Great troubleshooting skills
- Strong demonstrated mechanical and diagnostic skills
- Manufacturer certification or training is a plus
- Mercury Master Tech certification is a plus

You will receive ongoing dealer training to further your knowledge. A valid driver's license is required and must have your own tools.

Must be able to successfully pass a pre-employment physical, drug screen and background check

Saunders is an EEO Employer and does not discriminate in any of its hiring practices.

Company Description:

Saunders Yachtworks in Gulf Shores, Alabama is the premier full-service boatyard on the Northern Gulf Coast. Our 150-ton Travelift attracts customers from Florida to Chicago to the Texas coast. Services include all aspects of vessel refit and repair including authorized diesel engine dealerships in-house. Founded in Mobile, Alabama, in 1959, Saunders has many years of experience in marine engine service and boatyard operations. This is a great opportunity for you to join an exceptional team!
