

Outboard Technician

Saunders Yachtworks, Gulf Shores, AL

We are looking for an experienced outboard mechanic/technician with Mercury, Yamaha and Evinrude engine service, repair, and installation experience to join our Outboard Services Division.

Responsibilities include:

- Maintaining and repairing marine outboard motors
- Providing routine service and maintenance
- Execute work orders to customer specification
- Maintain accurate records of services performed and receipt of parts and materials acquisition/return.

Qualifications include:

- Experience in outboard repair, service and installation equal to 5+ years
- Great troubleshooting skills
- Strong demonstrated mechanical and diagnostic skills
- Manufacturer certification or training is a plus
- Mercury Master Tech certification is a plus

You will receive ongoing dealer training to further your knowledge. A valid driver's license is required and must have your own tools.

Must be able to successfully pass a pre-employment physical, drug screen and background check

Saunders is an EEO Employer and does not discriminate in any of its hiring practices.

Company Description:

Saunders Yachtworks in Gulf Shores, Alabama is the premier full-service boatyard on the Northern Gulf Coast. Our 150-ton Travelift attracts customers from Florida to Chicago to the Texas coast. Services include all aspects of vessel refit and repair including authorized diesel engine dealerships in-house. Founded in Mobile, Alabama, in 1959, Saunders has many years of experience in marine engine service and boatyard operations. This is a great opportunity for you to join an exceptional team!
