

Crafts - Carpentry

Saunders Yachtworks, Gulf Shores

Position Description

We are seeking a Marine Carpenter to join our Craft Department team who has a strong background in marine construction techniques and materials. This role is responsible for a variety of interior and exterior refit and repair projects on vessels up to 120 ft.

Responsibilities

- Furniture and cabinet construction and installation
- Deck repair and new deck installation
- Fitting of interior appliances
- Veneer installation and finish
- Conduct thorough assessment prior to starting a job including acknowledging the budgeted time
- Assign parts and purchases to the appropriate vessel/tickets
- Record time worked per job order into timekeeping system
- Maintain a clean and organized work environment to promote safety and efficiency
- Flexibility in work assignments that may include crossover into areas within crafts such as paint and fiberglass

Education and/or Work Experiences Requirements

- High school diploma or GED required
- Valid Driver's license
- Pass a background check, pre-employment physical and drug screen.
- Familiarity with exotic woods such as teak, holly, and mahogany
- Strong understanding of marine construction techniques and materials
- Ability to read technical drawings and specifications
- Proficiency in a wide range of carpentry tools and equipment and must possess own hand tools
- Excellent attention to detail and commitment to quality craftsmanship.
- Ability to work collaboratively in a team environment.
- Must be able to lift heavy materials, stand for extended periods during work hours, and climb up and down stairs and scaffold on land and on a vessel

Saunders Yachtworks provides equal employment opportunities to all employees and applicants. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.
